

Risley Moss Local Nature Reserve

Observation Tower

Climb the Observation Tower for a panoramic view across the mossland.

Bird Hides

Rangers feed the birds during autumn, winter and spring. A visit to the Woodland Hide can be rewarded with good sightings of up to 20 different species.

Mossland Tours

Enjoy this unique habitat on a guided tour, a chance to soak up the landscape and glimpse the wildlife.

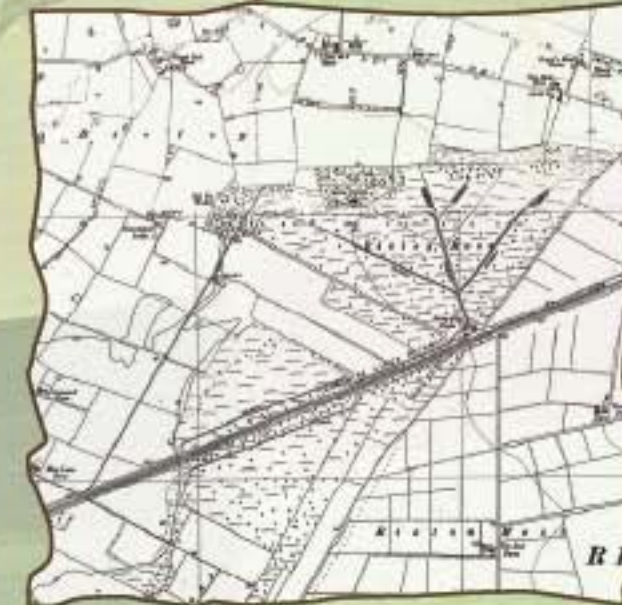

Education

The reserve is well used by schools and colleges. Lessons can be both indoor and outdoor.
